Green, FootGolf and Cart Fees

Our unique 9-hole 2100 yard golf course is one of the best in the Midwest. We have 3 par 4s and 6 par 3s with forest, creeks, bunkers, and native grass guarding our challenging greens.

Our brand new 18-hole FootGolf Course provides a new twist on an old favorite. The game of FootGolf is played exactly like golf, only with a soccer ball and your own foot. Get out and kick around the ball while trying out the newest sport around.
